## 8th Post - Letter Sent to Senators and Congress/Supreme Court/CIA EO 13526

March 01, 2024

I have a FOIA tied up with the CIA they absolutely refuse to comment on and I'm just an ordinary citizen. My FOIA has gone to a board of special counsel and was DENIED (so much for confirming or denying they have anything going on, right?) I have suggested the IT guy Nand Mulchandani take a look into this FOIA Appeal because the OGIS is being blocked and prevented from helping me (trust me I have tried again and again contacting them for help, chances are they are GAGGED!). I made a simple suggestion for IT to duplicate the file and make it Read-Only and lock it down possibly using a security key and let the dummy file in the open see what happens to it? Pretty simple solution to prove my point here and so that the CIA Fraud, Waste and Abuse guy isn't keeping up with his job description. I contacted the DNI already and they refused to put any effort into my cause here. So I'm citing Executive Order 13526.

Information may not be classified in order to: 1) Conceal violations of law, inefficiency, or administrative error; (I gave IT the perfect idea to show my innocence here with a simple request, I know there is inefficiency and admin errors happening here because I'm a simple ordinary citizen) 2) Prevent embarrassment to a person, organization, or agency (I'm trying to prevent embarrassment to the CIA but in all likelihood this will EMBRASS them and I have members of The Guardian who have my FOIA in full and want to get their hands on this very large document they are harboring, it's PUBLIC INTEREST REMEMBER) Now it's possible Trump did something to prevent even President Biden from accessing this FOIA and may be stashing it overseas or any number of ways I read up online about how FOIA's can be concealed, if you contact me I can send you the link. It was a messy document but Executive Order 13526 should it make it a vote on the floor THE PUBLIC INTEREST OUTWEIGHS EVERYTHING HERE, PEOPLE HAVE THE RIGHT TO KNOW WHAT ARE AGENCIES ARE UP TOO!! Please do me a favor and bring this up, people already have heard my name in the shadows of congress already. This is why. This FOIA. Bring it to the public. Please.

### **34th Post - How I did it! Possibly helped EVERYONE OUT!**

*December 06, 2024*

So I had this idea come to mind and wrote to Nand at the CIA about this concept for security measures to be put into place to solve criminal activity within the FOIA reporting system. The idea was to duplicate the FOIA file and then leave an open
